

Mosshead Primary

Let's Focus on
Vision, Values and Aims

**Together we all learn, discover,
grow and succeed.**

Our vision, values and aims for Mosshead Primary School have been created in conjunction with staff, pupils, the Parent Council and other partners.

Values

To create our Vision, Values and Aims we started with a list of what we felt were the most important values for everyone in Mosshead Primary. The values were voted on and 4 core values were identified.

Kindness

Friendship

Respect

Honesty

The Pupil Council held a competition to design pictures to represent these values. Below you can see the winning designs.

Vision

The Mosshead community worked together to create a vision statement which reflected the school and would be central to all of our work. After much discussion we decide upon:

**Together we all learn, discover,
grow and succeed.**

The Pupil Council held a competition to design pictures to help illustrate this vision. Below are our 2 winning designs.

Mosshead embraces Curriculum for excellence and the staff, parents and pupils decided that the aims of Curriculum should be those of the school. Some changes were made to the wording to help make these more accessible to younger pupils:

Mosshead Aims:

To support children to become successful learners, confident individuals, responsible citizens and effective contributors through:

- being self aware and developing relationships with others, in families and in communities.
- development of knowledge, skills and attributes that are needed to thrive in our interconnected, digital and rapidly changing world.
- supporting development of democratic citizens and respectful, active shapers of the world.

School Behaviour Code

The Mosshead behaviour code is:

Responsible, Respectful, Safe.

When discussing behaviour we make reference to the school behaviour code 'Respectful, Responsible, Safe'. In each class, the children considered what behaviour should be like and class charters, created by the children, exemplify this code.

The design below was created by one of our pupils and is displayed on posters in every class and around the school.

Thank you to Kathryn, Mitchell, Ethan, Lara and Ottavia for the art work.
