Child Protection Policy

### Policy statement relating to the care and protection of children and young people under the age of 18 years

East Dunbartonshire Council is fully committed to protecting and safeguarding the welfare of all children and young people. It recognises its responsibility to take all reasonable steps to promote safe practice and to protect children and young people from abuse, neglect and exploitation. Further, it recognises that the Getting it Right for Every Child approach provides the methodology and shared language to help staff work together with children, families and colleagues from other agencies to promote, develop and safeguard wellbeing.

Within the context of their role and responsibilities, all education staff will:

- 1) Establish open, positive, supporting relationships across the whole school community to ensure that children and young people will feel that they are listened to, and where they feel secure in their ability to discuss sensitive aspects of their lives
- 2) Promote a climate in which children and young people feel safe and secure
- 3) Model behaviour which promotes health and wellbeing and encourage it in others
- 4) Use learning and teaching methodologies which promote effective learning
- 5) Be sensitive and responsive to the wellbeing of each child and young person
- 6) Take all reasonable steps to protect children and young people from abuse, neglect and exploitation by adhering to child protection procedures.
- 7) Where concerned that a child could be at risk of harm/abuse, be guided by the underpinning principle the needs of the child are the paramount concern.
- 8) Maintain open and positive relationships with parents and carers unless advised to the contrary by Advice and Response.
- 9) Recognise the limits of their responsibilities within East Dunbartonshire's child protection network.
- 10) Report child protection concerns to the school's Designated Person for Child Protection<sup>1</sup>.
- 11) Actively participate in child protection training and other Performance Review & Development Review opportunities relevant to the care and protection of children and young people.
- 12) Adhere to the guidance on information sharing and confidentiality and understand that, in relation to a concern that a child or young person could be at risk from harm/abuse, report their concerns to the Child Protection Coordinator.

Procedure Manual PM 3/21 'Child Protection Procedures' supports, and should be read in conjunction with, this Policy.
